

A night-time photograph of Special Operations Forces. In the foreground, a soldier is seen in profile, wearing a helmet with night vision goggles and a communication device. The background shows several other soldiers in silhouette, some holding rifles, and a helicopter in flight against a dark, cloudy sky. The scene is illuminated by a blue and green light, possibly from night vision or tactical lighting.

SPECIAL OPERATIONS FORCES ACQUISITION, TECHNOLOGY, & LOGISTICS

TRUSTED EXPERTS

Mr. Chris Harrington Director, Office of Small Business Programs

AGENDA

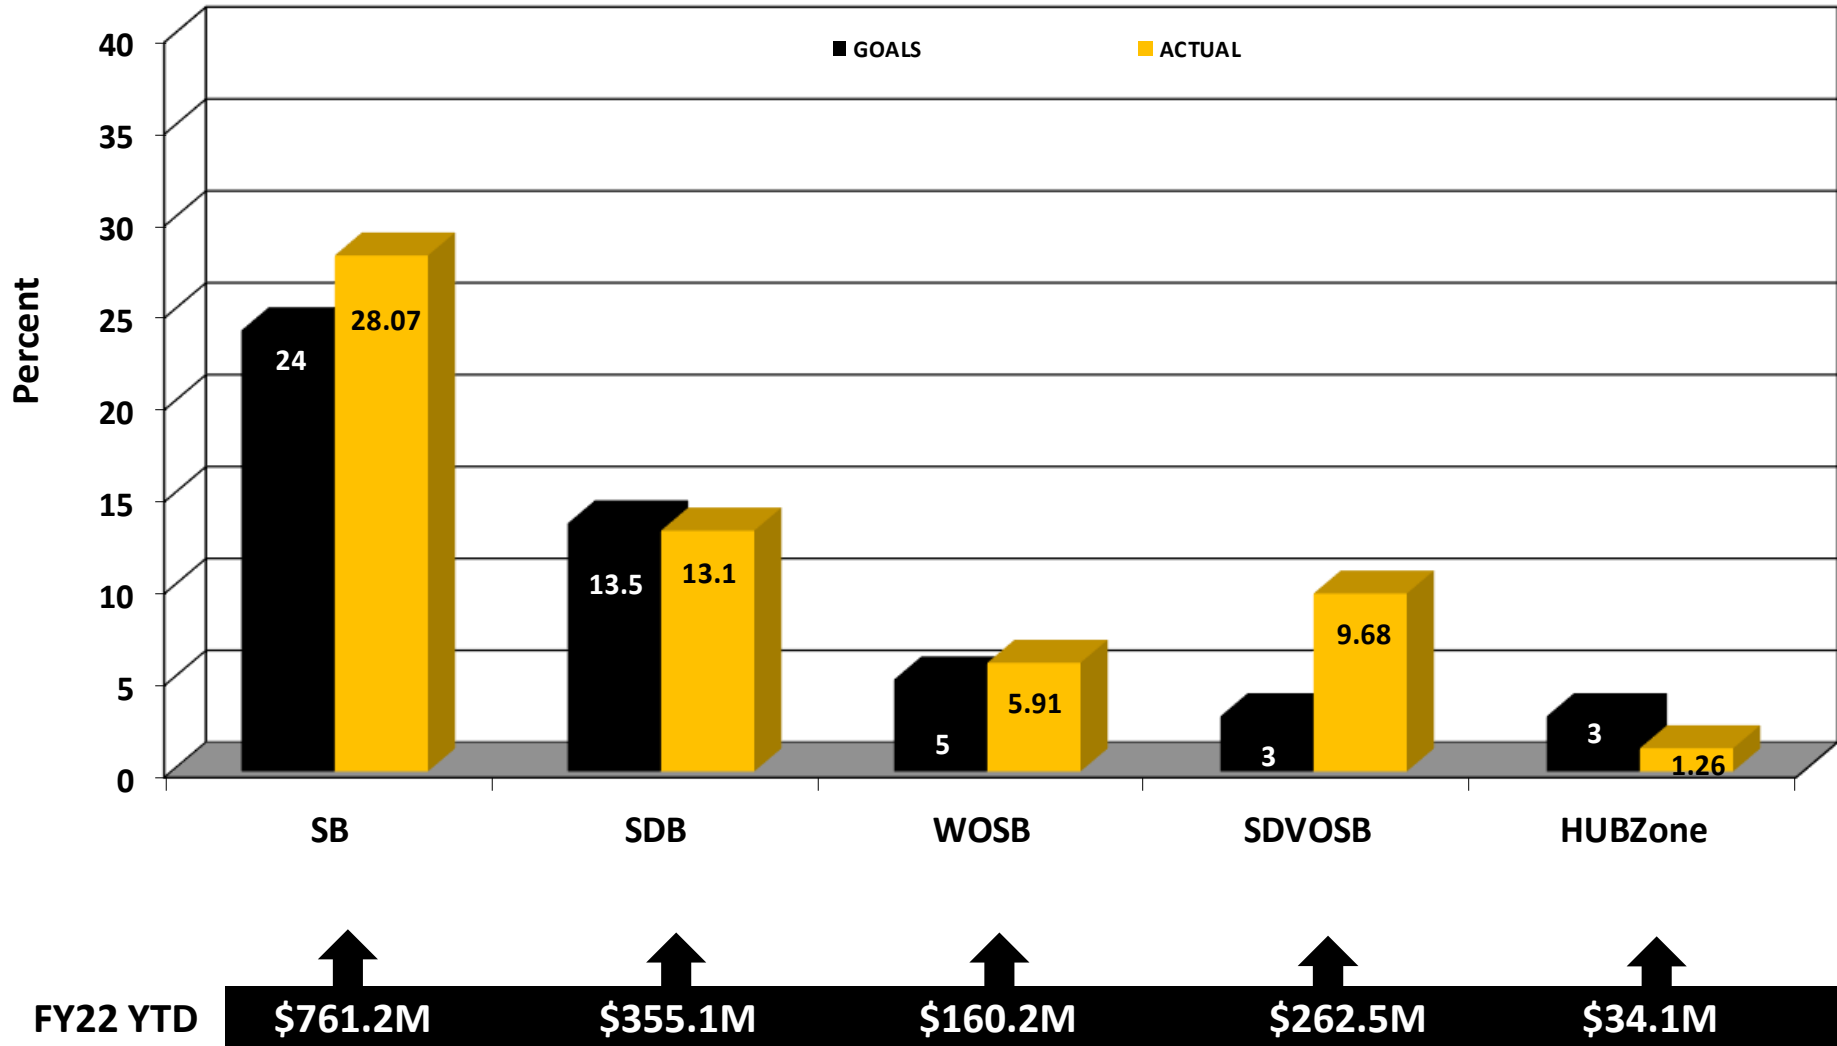

- New Trends
- Small Business Stats FY21 and FY22
